CHILD AND ADOLESCENT PSYCHIATRIST

McMaster Children's Hospital in Hamilton, ON Canada seeks one outstanding child and adolescent psychiatrist with expertise in the assessment and treatment of children with ADHD, psychosis, mood and anxiety disorders. Expertise in consultation-liaison psychiatry and emergency psychiatry is an asset. Experience with evidence-based assessment instruments and rating scales is needed and a commitment to multidisciplinary clinical assessment and evidence-based treatment models is also essential. The candidate will work as part of an interprofessional team with a focus on treatment of complex, co-morbid, and severe mental illness in children and youth. Our current needs include roles supporting a 22-bed inpatient unit, supporting our emergency child and youth mental health and consultation-liaison services, and outpatient services

The child and adolescent psychiatrist will join other child and adolescent psychiatrists and pediatric psychologists in the Department of Psychiatry and Behavioural Neurosciences, McMaster University, and a team of Master's level social workers and clinical nurse specialists. Abundant education and supervision opportunities are available with the General and the Child and Adolescent Psychiatry Training Programs, the Psychology post-doctoral program, and residents from other departments.

Candidates must be eligible for licensure in the Province of Ontario and be a Fellow of the RCPSC (or equivalent). The position carries an academic appointment in the Department of Psychiatry and Behavioural Neurosciences, rank commensurate with experience. The compensation package at McMaster Children's Hospital is highly competitive. To learn more about McMaster University and Hamilton, Ontario please visit www.mcmaster.ca.

Applications will be reviewed immediately and accepted until the position is filled. Please send a letter of intent and curriculum vitae, along with any representative publications to the Dr. Ellen Lipman (lipmane@mcmaster.ca). In addition, three letters of reference should be forwarded to the same, but under separate cover.
