# FAMILY-CENTRED CARE

## MEANS...

- Partnering with you and your family
- Actively listening to and respecting your values, wishes and choices
- Openly sharing timely, accurate and complete information with you
- Encouraging and helping you to make the best decisions for you and your family
- Involving you and your family throughout the planning and delivery of your care

**PUTTING YOU AND YOUR FAMILY FIRST IN EVERYTHING WE DO**

***TOGETHER, WE ARE BETTER!***
